**MOBILE AND SURVIVABLE  
RUGGED AND RELIABLE  
MULTIMISSION CAPABLE  
50-YEAR LEGACY**

## **SURVIVABILITY AND MOBILITY FOR THE ASYMMETRIC BATTLEFIELD**

COMMANDO Select personnel carriers offer an enhanced combination of lethality, survivability, mobility and sustainability. Exceptional crew protection is built into all Select vehicles. Greater survivability, however, doesn't mean sacrificing vehicle mobility.

These vehicles deliver greater mobility than similar armored vehicles on the market. COMMANDO Select can be configured to accommodate up to 10 (three crew plus passengers) to enable greater troop carrying capacity.
