

International® MaxxPro® Dash DXM™

The MaxxPro Dash DXM is a lighter, smaller, and more mobile variant of our MaxxPro Mine Resistant Ambush Protected (MRAP) family of vehicles and is the most survivable vehicle on the battlefield today. The DXM suspension is a no-compromise solution, allowing off-road mobility and a high quality ride. The DXM suspension can be easily integrated on other straight axle vehicles. Navistar's proven severe service platform puts quality, durability and reliability where you need it most—on the battlefield.

-  **Multiple Variants Available**
-  **Comprehensive Lifecycle Support**
-  **Complete 360° Protection**
